

Warranty Information

Roadway Data units are warranted against defective material and workmanship for a period of **18 months** from date of purchase. In the event of failure of a unit, contact Roadway Data to obtain a Return Material Authorization (RMA) form, as well as return shipping information.

If our inspection shows that the problem was caused by defective material or workmanship *within the limitations of the warranty*, we will repair or replace the unit and return it. *

If this unit fails outside the warranty period, we will offer to replace it according to the following Pro Rate schedule, based upon current list prices:

From Date of Purchase	Cost
18 – 24 Months:	40% of current list price*
25 – 36 Months:	55% of current list price*
37 – 48 Months:	70% of current list price*
49 – 60 Months:	85% of current list price*

**Shipping charges not included*

This warranty gives you specific legal rights and you may also have other rights which vary from state to state. The obligation of the warrantor is solely to repair or replace the product. The warrantor is not liable for any incidental exclusion or limitations or incidental or consequential damages, so the above limitations or exclusion may not apply to you.
